

# SHUR/Sharp™

## Disposable Microtome Blade Cutting Solutions

The logo for TBS, consisting of the letters "TBS" in a bold, blue, sans-serif font. A registered trademark symbol (®) is located to the upper right of the "S".

# The SHUR/Sharp™ Advant“edge” - A cut above the rest

**SHUR/Sharp™** disposable microtome blades are manufactured from premium grade steel for superior blade life and edge retention. State of the art grinding, honing and strapping equipment produce flawless edges. Proprietary coating process minimizes compression and produces excellent ribbons. Select **SHUR/Sharp™** low or high profile blades for consistent sharpness & dependability. Specify **SHUR/Sharp™ PLUS** when ultra thin sections are required.
